

NatureKast Collective

NatureKast's Collective offers a series of dynamic outdoor kitchen configurations.

How do you use this document?

Choose an outdoor kitchen layout from this series *or* use it as a springboard to design something different! Each layout includes a preloaded quote that can be modified to your preferences.

To copy a quote to your DealerNet profile:

- ▶ **Click** Create Quote
- ▶ **Select** the NatureKast Collective layout (A to P) that you would like copied from the "Is this a NK Collective Quote?" menu
- ▶ **Delete** the rooms you don't need. The quote has three Rooms with the different preloaded Door Styles and Finishes:
 - Shaker, Weathered Graphite
 - Metro Lite, Pelee Island Pearl
 - Contempo Stainless Steel, Weathered Graphite
- ▶ **Change** the Door Style or Finish if required
